Hiya!

Here are two of those pictures you asked for. Your mom couldn't locate the copies she had, and since George Troy had just come out of the hospital she didn't want to ask him for additional ones, so I'm sending two of the three I have.

I still don't think you ought to have your hair cut like that - But I bet you look more like a convict now. Anyhow Ah love you honey - with or without the fringe on top -
All my love xV
