

To a Swell **BROTHER** On Christmas

"You"

"Me"

You used to make me pretty mad,  
There isn't any doubt,  
With those left-handed compliments  
You always handed out!

We fussed a lot and scrapped  
a lot,  
But just the same it's true,  
There's not a **BROTHER** anywhere

**I'D EVER TRADE  
FOR YOU!**

*I'm at the hospital again  
with the same old thing  
But I'm serving mass  
& praying for you*

*Love Always  
Joe  
HH*
