

Mom,

Was paid \$39. \$2 out for Union dues and a  
kollar-owed, leaves 36. If I take \$15 & send  
this \$2, I have 50¢ a day, enough to buy  
a pack of cigarettes, a coke & a game of pool, <sup>each</sup> day  
with perhaps a little extra for weekends.

Otherwise I'd send more.

This is for you, to do with as you  
wish.

Love & prayers, as ever,  
Frank.
