Dear Jan

The usual hurried note because its First Aid rule & Gladys is due any minute - but I wanted to congratulate you on your excellent marksmanship - I've something to be proud of. Now I'll lay for old lady Cannon. So you'll know whats cooking. I'm enclosing Dads letter - She first in ten days - I wasn't worried but I thought she had been shipped to another post - Evidentially she is going to be at Oglthorpe for a while.

Had a beautiful Easter Card [boxed] from Joe - father also got one. What he had

spent it on cigarettes for himself.
The Hell jels just phoned to say they
were sending you 3 Cigarettes or anything
I might suggest. I said 1.00 would
save them time and postage and you
could buy your own at the P.X. Cheaper.
Don't forget to acknowledge them. By the
way I sent you all your cigarettes in your
box. Do you want a bag the pants
Club sent here - like Joe's only no vulgar
articles - Don't get one also - shaving cream
razor blades - tooth pd - brush etc. Dots
was minus shaving cream and razor blades
I'll dig your shorts out of moth balls - that
I'll have to buy shorts. Will get it off
in a day or two.

Fan is this Joe Phuman's brother.
Please send Dots letter back - I forwarded
yours to her. It's still cold and
raining here.

Hate to cut this short Fan but I have
only 10 minutes to dress.

Belly gave me a baby chick for ~~Lucas~~
Earlie - I had to buy 3 to keep it company -
now our living room smells like a hen
house - Victory Garden not planted yet
too cold - but the beer drinking still
continues -

Sorry Fan I gotta go [Red Cross]
Love
from Mother
