

Saturday 3.30 P.M.

Dear Jan

This is just a quickie  
as I want to push Betty to  
the P. O. to register this. I thought  
you might need the money  
in a hurry - afraid to send  
it un-registered after losing  
Joe's. 2.00 that time. I guess  
you didn't or did you get  
my last letter sent to Apton's  
enclosing a V letter for you  
from Alfred. They will probably  
forward it. I'll send plane  
pauldals and Garello's next week  
I'll have to get a chance to  
go to Dulles St to get pauldals -  
in the meantime you better

buy cigarettes -

I'll write you tonight  
again - You'll probably  
get tonight's letter before  
this reaches me. The  
Chief going back to work on  
Monday - he was home two  
weeks -

All for now Jan  
Love from Mother
