Hello Francis.

It sure was a surprise to us when we received your new address from your mother? She says you like the place a lot. Well Fran, our boxes were gone when the change in your address came so please ask for boxes from me & Helen when you think it is time for them to arrive they were sent (Sept 12) I know they will be forwarded & it may take a little longer. It may not seem like much but every box will count no matter what is in them. Ma is fine also Uncle Rob. Helen & Bob. But Alfred hurt his ankle in shop & is home a week now. Turning leguiments & they are very painful he must keep off the foot. Dr says it will take a long time to heal.

Saw Dorothy & I think she looks grand. sorry you did not see her while she was home. not much new hear. but please let us hear from you. Love & all our Prayers Aunt T.
