Dear Francis
Just received your letter and it made me feel good because it was so cheerfull - glad things are going fine for you just now. It sounds as if you had it easy for a change.
Dot and Joe spent a few days here while your sister Dot was on leave of 15 days, they both looked fine & we were all glad to see them. Ma Kerison is fine & getting ready for her summer vacation, you would think she was only 18 instead of 81 years with all her fixing up to go away. Uncle Rot has been trout fishing got 5 one day & 7 the next the size of them were between 12 & 14 in not bad I think, he gave 9 of them to his Doctor he has been well of late - Alfred & Helen & Bobbie are fine - my garden is coming good now 4 rows of peas 1 of beans 2 of bats & 12 hills of corn - tomorrow I will set out my Tomatoes. write when you can Love
Dorothy
