

Monday Oct 9/44

2 P.M.

Dear Sam

I was in Paris!

Peggy phoned me Sat A.M.
saying she'd heard from you.
She also got me that Thorens's
lighter you asked for - as it's
made in Switzerland, you
should have tried for it over
there. As soon as I get a
flashlight I'll send the two
things out - Have already
mailed you out 4 truss boxes,
just food. Also sent Alfred
Kenway some. Got mail to
Waterbury - overnite - They foreit
heard from Alfred in 3 weeks -
Last letter mentioned hoping

to see the football game at
yale for Thanksgiving. So
maybe he's on the way home.

Ron tells me Walter King was
injured at Seisan and is now
in a hospital at Hawaii.

Dot went to Waterbury on
Wed - stayed overnight and then
went to the field - where she
stayed till Sat. returning in
time to meet Sherman at
the Grand Central.

We had the shower for
Berke Sat night, and it was
the first time there were
no young males present.

Just Chief - Tony - Charles
and Leo and they stayed
in kitchen.

Berke got a nice lot
of gifts and was so

3
surprised when she walked in
she just burst out crying.

The 3/4 bell also came over
Salerno brought his sister and
Peggy was here, staying all night
and sleeping in Key's with Row.
Asked Tel and Eileen but they
had a previous date.

They've been packed into the
stores and leave Nov 30th

Belle Sherman had to go back to
Mass. Sunday night, but she
invited her down for Inas.

Joe is hoping maybe he
can get a pass home
for Inas.

Am writing this late but
can't see very well. Probe
my glasses and am
using an old pair. Suppose

It will take less days to
get the others back.

Route Kezars are taking Dot
me and Chief to dinner at the
Rudder Club - Tuesday with
Rou's taking Dot to the Ice Palace
and Wed. Gladys and Bill
are coming over - Thursday
Dot starts back to Sa again.
Kuff furlough in Oct or March.

What kind of weather over
there. The last 3 days temp
has been 75 - the leaves have
all turned gold and are
beginning to fall. Old man
winter ^{is} ~~is~~ soon be here.

Don't mind ^{return} addresses on my
Tom's boxes. Saw - that was
just to cover the postal laws -

Let's know all that goes

Love and prayers
from Mother
