This little gift is
just to show
How much we hate
to see you go.

And 'though you may
not be so keen,
We're sure I'll
keep your tie quite
clean.

II

If you think you
dare not brave it,
Why then, soldier,
why not 'save it?
Oh, now you may think
you'll never need it.
But, say Buddy, don't
you believe it!

This is strictly confidential,
But we think you'll
find essential,
This little gift that
we've devised,
Hope you won't be too
surprised

Farewell Wishes

TO YOU

As you go to join the colors
May you always keep in mind
That you have the warmest wishes
Of the ones you leave behind,
So, here's to all the best of luck
In everything you do -
And don't forget that EVERYONE
Is very proud of You!
