Dear Fran.

How do you like
the Army? I bet you were
surprized when you got
in the Army, I hope you
dont get "kps" any time.
Do you see Joe much? if you
see him ask him if he got
my letters that I sent him
and why dont he ever
answer the letters. Unkel
Srand is rich he's been
sick for quit a while,
every one else is fine.
I've got a pair of pagar
mers with all soldiers
on it and soldiers doing
"kps" and all kinds of

things on them. I
guess I better save
some of my thoughts
for another letter for
you. Tell Joe I've
been writing letters
to him and he never
answers them. Don't
forget to write soon
+ send me your
right address.

Your loving cousin
Dorothy German
